

Rosella Retirement Resort

Life in Full Bloom Starts Here

Village Overview

Stage One Release

Introducing Rosella Retirement Resort, a boutique enclave in the Hills District's leafy suburb of Dural, where refined living is woven into bushland calm. Nestled among gum trees and minutes from Castle Hill, Rosella brings together light-filled residences, a resort-style clubhouse and nature-led gardens to create a setting that is both private and welcoming. Designed for ease and transparency, every detail supports healthier ageing and a genuine sense of belonging. It is a quietly luxurious choice for downsizers who want to stay close to the people and places they love.
